About this Report

Return to top

All market data contained within the CME Group website should be considered as a reference only and should not be used as validation against, nor as a complement to, real-time market data feeds. Settlement prices on instruments without open interest or volume are provided for web users only and are not published on Market Data Platform (MDP). These prices are not based on market activity.

### Options Expiration Calendar

View or download a year's worth of expiration dates, including yet-to-be-listed weekly options.

### Open Interest Profile Tool

Analyze open interest and open interest change patterns for each expiration within the selected product.

### Volatility Term Structure Tool

Compare charts of current implied volatilities across expirations to the view from one week earlier.

### Options Settlement Tool

Analyze settlement values for all CME Group options products, including both settlement prices and implied volatilities.
